

Visual stories for schools and SEND

Know what to expect, before you go.

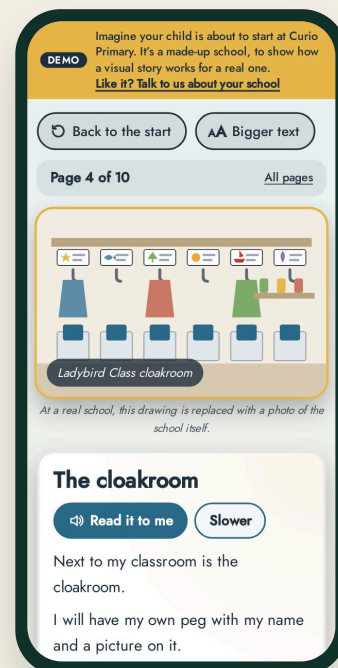

Our visual stories show a child exactly what a real place will be like, step by step, with photos of the actual place: starting school, moving up a year, or a first visit somewhere new. Made with your staff, for your setting.

What it's like for a child

- ✓ Real photos of the real place
- ✓ Step by step, in the right order
- ✓ What it will feel like
- ✓ Who they'll meet
- ✓ Gentle things to do
- ✓ At their own pace
- ✓ Read it to me
- ✓ Tips for grown-ups

Simple to share, safe to use

- ✓ No app and no account
- ✓ No personal data
- ✓ No children in the photos
- ✓ Calm by design
- ✓ Works with patchy signal
- ✓ A printed version

Prices

Founding school pilot

£495

A limited-time offer, in return for your feedback and permission to share the results as a case study. A case study never includes any personal data about children or families.

Visual story

from £950

One story about one place, such as starting school or a visit to your venue.

Transition bundle

from £1,750

Two stories for the same setting, such as starting school and moving up a year.

After the first year, hosting and small updates (such as a new teacher's photo) are £150 a year per story.
